

STAR Kids value-added services

STAR Kids

What are value-added services?

Thank you for choosing UnitedHealthcare. As a member of UnitedHealthcare Community Plan, you can also receive value-added services. These unique services are offered, in addition to the required Medicaid services, to benefit your health and everyday life. Your experience and feedback as a member is the inspiration behind these value-added services.

We hear you

We get great ideas from members like you in our communities. That’s why we’re inviting you to join our Member Advisory Council. The Council helps us understand how we’re doing and what we could do better. To join, call **1-877-597-7799** and ask to be transferred to a Member Advocate in your area.
